Biodome and Murals

July 1, 2026

What do penguins, homosexuals, and murals all have in common? If you answered “fabulousness”, you are partially correct! The full answer is “you’ll see plenty of that fabulousness on the Biodôme / Murals of Montréal Tour”!

We’ll take a winding route from the hotel to the Biodôme, passing a number of the fantastic murals that are renewed or redone every year in June. Once at the Biodome, you will have plenty of time to explore all that it has to offer.

Penguins, Leonard Cohen, capybaras, and you, oh my!
